

YOUTH SKILLS CAMPS

The Youth Skills Development Camps (Grades 4-6) are designed to prepare the players with the skills necessary to play in youth league games and travel ball. These once-a-week sessions will progressively develop both physical skills and game knowledge. The camps are open to all youth. Diamond In The Rough members will receive member pricing.

Pitching Prep is designed to develop pitchers. In baseball, pitch counts have expanded to all age levels, including high school. Teams need more than 1-2 pitchers. It is important both baseball and softball pitchers learn proper pitching mechanics and how to safely maintain a healthy arm. WCYBSA pitchers are free, but must register.

Players need a glove and may bring their own bat. We recommend wearing long pants. Parents are welcome to watch, but seating is limited.
